GENERAL INFORMATION

TEAMS

Get ready for an exciting afternoon of all-Dutch roller derby!

At 14.45 the first game sees our Harbour Honeys take on Dom City Dolls from Utrecht. Although these teams haven't met on the track since 2022, their rivalry goes way back. For years, they regularly crossed paths at away tournaments across Europe. In 2015, they even played each other four times in six months, bringing the total to seven games, not counting scrimmages. Many Honeys and Dolls have skated together for Team Netherlands, making this a game between familiar faces who know exactly what the other is capable of, and who are looking forward to test their skills against each other.

In the second game, at 17.00, our Killer Bees face the Dom City Thunderdolls. These teams are no strangers to each other either. With the last game played in Utrecht, the Bees are ready to defend their home track.

LOCATION

Sportcentrum Kralingen can be reached by taking the metro to either Oostplein or Gerdesiaweg, from there it's a short walk.

Please note that there is no cafeteria on-site. You can buy softdrinks (no beer) and possibly a small snack, but there are no hot food options like fries or toasted sandwiches. Luckily, there's a supermarket and a sandwich shop nearby.

And there is a bakesale! Check out our merch stand for delicious homebaked snacks, made by our members.

PHOTOGRAPHERS

Ready to make those action shots! We have excellent photographers at our events and we wanna thank them in advance for the pictures they'll make.

Don't wanna be in the picture? Let our floor manager know (you can spot them by wearing a bright yellow bib that says 'floor manager').

ANNOUNCERS

Are you clueless or do you want to be even more entertained? The announcers will guide you through the games with live commentary, explanations and fun facts.

HOUSE RULES

(Yes, this should go without saying)

Treat everyone with respect, on and off the track. That means no yelling, swearing at, or belittling others. Abusive or inappropriate behavior will not be tolerated.

Encourage each other, respect the venue and everyone's property and help create the kind of atmosphere that makes roller derby awesome.

BAKESALE & RAFFLE

Stop by our merch stand for delicious homemade treats, freshly baked by our members.

While you're there, don't miss your chance to win some great prizes in our raffle!

MERCHANDISE

Make sure you find your way to the merch stand of both the home and away teams to find yourself a new beanie, a totebag, who knows, maybe even a keycord!

Don't miss out on supporting your favourite teams!

ROLLER DERBY 101

Two 15-skater teams play two 30-minute periods. Each period consists of multiple “jams.” Each jam is an opportunity for both teams to score points, and ends after 2 minutes or when the Lead Jammer calls off the jam. It is legal for a skater to block opponents with their hips, rear, and shoulders. It is not legal to block to the back, to trip, elbow, or to back talk officials. Players committing illegal actions are penalized 30 seconds and their team plays short for that time.

Jammers wear a star on their helmets and are the scoring players for each team. The Jammers attempt to pass the opponents as many times as possible by sprinting around the track and lapping the pack.

The Blockers are simultaneously focused on stopping the opposing Jammer from passing them and assisting their Jammer in passing the opposing team's Blockers. The pack is formed by the largest group of Blockers with players from each team on the track.

The Pivot is the Blocker that wears the stripe on their head. They are the only Blocker that is allowed to accept a star pass from the Jammer, thus becoming the new Jammer and gaining the ability to score points.

JAM START

Each team fields 4 blockers and 1 jammer. Blockers start anywhere between the Jammer Line and the Pivot Line, 30 feet (9.15 meters) away. Jammers start behind the Jammer Line. Play starts with a single whistle blast.

FIRST PASS

During the first pass, the first jammer to pass all skaters in the pack legally is called Lead Jammer. Lead Jammer status is signaled by the officials blowing two short whistle blasts and pointing at the Lead Jammer.

SCORING PASSES

In subsequent passes, jammers earn 1 point for each opposing player they pass legally. The opposing blockers will try to stop the jammer, while helping their own jammer through the pack.
